1. POLICY

ANIT Australia Pty Ltd T/A Albright Institute of Business and Language will ensure that the student's deferments and suspensions are carried out in accordance with the standards set out by the ESOS Act and National Code of Practice 2018.

2. PURPOSE

This policy outlines the circumstances for the application, assessment and approval of the deferment, suspension, leave of absence or cancellation of enrolment when instigated by either student or Albright Institute and subsequent reporting requirements via PRISMS.

Standard 9 of the National Code allows students to defer commencement of studies, take a leave of studies, or temporarily suspend their studies during their program where compassionate or compelling circumstances exist. It covers student access to complaints and appeals mechanisms if a provider initiates a suspension or cancellation of enrolment against a student's wishes. Standard 9 clearly states that registered providers may only enable students to defer or temporarily suspend their studies, including granting a leave of absence during the course through formal agreement in certain limited circumstances.

3. SCOPE

This policy applies to all the current international students at Albright Institute studying onshore, holding a student visa and to the international students who are in the process of procuring student visa from offshore to study in Australia.

4. DEFINITIONS

Course: means a course of education or training as defined in the ESOS Act.

PRISMS: The Provider Registration and International Student Management System.

Study Period: A discrete period of study within a course. Albright Institute uses "Term" to define a study period. The term duration, usually a contact period of ten (10) weeks, is considered a study period.

Compassionate or compelling circumstances are generally those beyond the control of the student and which have an impact upon the student's course progress or wellbeing. These could include, but are not limited to:

- o serious illness or injury, where a medical certificate states that the student was unable to attend classes
- o bereavement of close family members such as parents or grandparents (Where possible a death certificate should be provided)
- o major political upheaval or natural disaster in the home country requiring emergency travel and this has impacted on the student's studies; or
